

CHRISTMAS COUNTDOWN Deb Strain

December is a magical month! Counting down the days until Christmas has become a holiday tradition for both young and old. In our home the busy, hectic days of preparation are mixed with family gatherings, celebrations and decorating the house. The Christmas tree becomes the

center of all the holiday fun with everyone helping in the trimming. These times are what memories are made of! I have designed this collection with that in mind, hoping it will become a part of that tradition for you! 🎄
