Share a toast with the 3 Sisters who are elated to present their latest collection inspired by a visit to a friend's chateau, Chateau de Masseuil, in the illustrious wine region of the French countryside. Vin du Jour is ripe with its flourishing blooms, delicate vines, and a picturesque toile featuring birds and bees buzzing to taste the sweet grapes heavy on the vine.

While touring the numerous chateaus, the Sisters also added a variety of ornate vintage wine labels to their collection. In delicious shades of the finest wines, this sophisticated collection is sure to please the most discerning of palettes.
