General Information

There are a total of 25-14" finished blocks in the quilt. All the blocks are made using half-triangle squares (HTS).

The light print Layer Cake squares can be used for the background as desired.

Cut the Layer Cake squares into 4 1/2" squares. Cut the 4 1/2" squares in half once on the diagonal to make 2 half-square triangles (HST).

To make a half-triangle square (HTS), join 1 Layer Cake print and 1 background half-square triangle. Trim to 4".
