

Creekside

by Sherri & Chelsi

Wander along the path less-traveled...

Creekside is a delightful collection which invokes the high desert mountains of the southwest through whimsical wildflowers, soft florals, daydream clouds and soaring birds. The palette is vibrant and versatile with a cream base as a backdrop: enjoy the soothing hues of coral, geranium, gold, sky blue, marine blue, navy, grey, and green. Come along to the Creekside and wander along the path less-traveled!
