

# FARMHOUSE II

## FIG TREE & CO

A sister collection to our popular **Farmhouse**, we've brought a whole new set of retro prints in yummy colors for **Farmhouse II**! Filled with more 50's flavored florals, our favorite classic dots, a mini version of our criss-cross pattern and several fantastic new filler-prints, this grouping is definitely perfect for today's "country girl" at heart. Colors such as Tomato, Meadow, Milk & Pumpkin take us to those idyllic country days.
