

OVERNIGHT DELIVERY

Sweetwater

Overnight Delivery – a cheerful ode to the magic of Christmas Eve. We went back to basics with traditional Christmas red and green, then added cream and a touch of black. It's exactly what we wanted, a traditional collection that recalls Countdown to Christmas. One of our favorite prints from that first holiday group – titled Joy – has been re-created for Overnight Delivery. We also added a new favorite, the Buffalo Check, because it always makes us smile.

Overnight Delivery is perfect for quilts, bags, apparel and holiday décor so even though you'll have to wait until next June, this delivery is worth waiting for.
