Land That I Love

Sweet Land of Liberty

What could be more All American than celebrating with trucks, pups, flags and flowers? A mason jar filled with flags and flowers in red, white, and blue, is the perfect summer centerpiece, and a perfect focus for a patriotic quilt project! Or perhaps a flower-filled pick-up truck with a patriotic pup as the center of your next quilt.

This collection features so many of our favorite things, icons and images that pay tribute to America, the "Sweet Land that I Love."
