

# Bleu de France

## French General

Our new collection, Bleu de France highlights all of the beautiful French blues. Bleu de France (Blue of France) is a color traditionally used to represent France. Blue has been used in the heraldry of the French monarchy since at least the 12th century, with the golden fleurs-de-lis of the kings always set on a blue background. This classic collection will blend well with all of our Favorite Solid colors to make up a collection of fresh, modern quilts.
