**Petal Power!** Ever since our first collection with Moda - Petal Pushers in 2005 - we've loved including brightly colored flowers in our collections. So we went through our prints and collected our favorites, mixed them with a fresh, new floral print, and then added all new coordinating prints. Of course we used our favorite colors - Petal Purple, Popping Pink, Y'all Yellow, and you get the idea.

The best thing about Petal Power is that you can have flowers in your home every day of the year. And you don't need a "green thumb"!
